Dear Mr. Begun:

Upon nomination by the City Council Speaker, Gifford Miller, I hereby reappoint you as a Member of the New York City Economic Development Corporation ("NYCEDC").

As you know, Members of NYCEDC are subject to reappointment prior to each year's annual Members meeting.

Your reappointment has been made with the understanding that you will undergo a background check and that, in the unlikely event the City or NYCEDC notifies you that the City does not wish you to continue to serve as a Member as a result of such check, you will be deemed to have resigned as a Member of NYCEDC effective as of the date that the City or NYCEDC sent you such notification.

Your reappointment shall be effective as of the date that NYCEDC receives the enclosed copy of this letter, signed by you where indicated below to acknowledge your acceptance of the reappointment on the terms indicated above. Please return the acknowledged copy in the enclosed envelope.

Your continued service is deeply appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael R. Bloomberg".

DATE: October 31, 2003
SUBJECT: EDC Appointment

Mayor Bloomberg has signed a letter indicating your reappointment as a Member of New York City Economic Development Corporation ("EDC"), subject to your agreement to undergo a background check, as more fully set forth in the reappointment letter. Your reappointment is effective as of the date that EDC receives a copy of the letter signed by you, indicating your agreement to the terms of the letter. The procedure set forth in the letter is being followed in order to allow you to be reappointed at this time, rather than delaying the reappointment until after your background check is completed.

Dear Muttz

Thank you so much for your help with son
David on his visit to N.Y.U. Hospital. I
know that he would get first class care, but
it always helps to get a little extra push - if
only to help relieve parental anxiety.

I am glad to hear that you are well and
back in the swing of things

Thank you again
