

Message from the President

March 15, 2020

Essential Personnel on Campus Tomorrow

To the Baruch College Staff,

In view of the recent [CUNY Alert](#), issued earlier today, Baruch will use the day on Monday to establish and implement our continuity plans going forward. If you have any question about your status as “essential staff,” please contact your supervisor for clarification immediately.

We will issue a further update later on Monday.

Sincerely,

Mitchel B. Wallerstein, PhD
President
